Privacy Policy

G.G.Labs Pvt. Ltd. built the SMPPS app as a free app. This service is provided by G.G.Labs Pvt. Ltd. at no cost and is intended for use as is.

This page is used to inform visitors regarding our policies with the collection, use, and disclosure of Personal Information if anyone decided to use our Service.

If you choose to use our Service, then you agree to the collection and use of information in relation to this policy. The Personal Information that we collect is used for providing and improving the Service. We will not use or share your information with anyone except as described in this Privacy Policy.

About this app

Best for schooling from home platform.

School oriented app for exchanging various study materials such as video lectures, notifications, books.

- **VIDEO LECTURES:**

School teachers will upload videos on the app which can be viewed by the students of the assigned classes(s) i.e. students of different classes can learn from there assigned school teachers.

- **BOOKS/ASSIGNMENTS/HOMEWORK:**

Books/notes/handouts can be uploaded easily by the teacher in the form of PDF or images for specifically assigned classes(s). Students need to download the PDF/ images to view it.

- **NOTIFICATION:**

Teachers can notify the students for any upcoming assignment or about the video lectures. Notification can be used further for many purposes.

Registration

There is user registration and login module. Users may register themselves for comprehensive access to the app. We don't provide the information to any third party agent. While registration the teachers and students are required to enter their email id, phone number, name and other credentials related to school ERP for cross verification through the schools for genuine registration. The collection of these registrations resides securely on our servers unless it gets an approval from the admin/school then the teacher and the student will be able to access all the services provided inside the app.

OPT-OUT rights

You can stop all collection of information by the Application easily by uninstalling the Application. You may use the standard uninstall processes which may be available as part of your mobile device or via the mobile application marketplace or network. You can also request to opt-out via email, at gglabsnew@gmail.com.

Data Retention Policy, Managing Your Information

We will retain User provided data for as long as you use the Application and for a reasonable time thereafter. We will retain Automatically Collected information for up to 24 months and thereafter may store it in aggregate. If you'd like us to delete User Provided Data that you have provided via the Application, please contact us at gglabsnew@gmail.com and we will respond in a reasonable time. Please note that some or all of the User Provided Data may be required in order for the Application to function properly.

Advertising

Children's Policy

As this app is designed for use of schools (teachers/students) and children using the app may range from age 3-19.

We recognize the need to provide further privacy protections with respect to the personal information that we may receive relating to

children on our Website and Application. When we receive personal information relating to children, we take additional steps to protect children's privacy, including - Notifying parents about our information practices with regard to children, including the types of personal information we may collect related to children, the uses to which we may put that information, and whether and with whom we may share that information; In accordance with applicable law, and our practices, obtaining consent from parents for the collection of personal information of their children, or for sending information about our products and services directly to their children; Limiting our collection of personal information relating to children to no more than is reasonably necessary to participate in our Services.

Cookies & unique Token number

Cookies are small pieces of information that are stored in a browser-related file on your computer's hard drive when you use our Web site. We use cookies to improve the member experience, like allowing the member to login without typing the registered email address or registration number and password. We also use them to deliver information and fresh content specific to your interests. Cookies are widely used on most major Web sites. When you register www.gglabs.in uses a cookie to store a unique, random user ID. We do not store passwords or any personal information about you. We use this ID to identify you anonymously in our database and to track the pages you visit on our site. Cookies also enable you to enter the sites and use services as a member without having to log in each time. If you have set your browser to warn you before accepting cookies, you will receive the warning message with each cookie. You can refuse cookies by turning them off in your browser.

We store Token number of all the registered mobile phones to identify users' uniquely. This helps us to manage data more easily.

Information Disclaimer

The information provided on the app has been collected from individual school's principal, teachers and students. Lots of information has been taken from related educational sites, books

and other sources. It is presumed that we are not violating any copyrights. There is no intention to violate intellectual copyright or take credit for any establishment included in the databases. However, if any Institution has any objection, the same may be brought immediately to the notice of gglabsnew@gmail.com. We will ensure immediate Legal opinion on explicit observation/ complaint and take immediate steps to legalize it, if required.

www.gglabs.in is not expected to offend anyone. However if any link to any Institute offends any surfer we at www.gglabs.in take no responsibility concerning the impact or consequence of the same.

While we have made every effort to ensure the accuracy and authenticity of the information presented in this site, www.gglabs.in cannot be held liable for any errors or inconsistencies.

Changes

This Privacy Policy may be updated from time to time for any reason. We will notify you of any changes to our Privacy Policy by posting the new Privacy Policy here and informing you via email or text message. You are advised to consult this Privacy Policy regularly for any changes, as continued use is deemed approval of all changes.
